I love my window tint! My family and I have gotten our tint done here the last 10 years and all of our vehicles. I recently got tint on my new KIA and I couldn't be happier with the results. The tint on my last car lasted more than 5 years (traded it in) and my mother had her vehicle tinted 10 years ago and it still looks great! No bubbles or anything. Highly recommend

Best place to get tint. The man is courteous and fair on pricing. I have gone back to him to tint my two cars. Very honest man.

Awesome job and couldn't find it cheaper anywhere! I got a friend that does tint and he priced me higher than this guy! Lol

Have gone to this buisness for all my tinting needs since 2009 , never disappointed the prices are great and so is the quality of workmanship and materials. Highly recommended and will go her the next time I something tinted.

South Texas Window tint was great. I went in a few days ago and was able to get my car tinted in only a few hours. It is usually preferable to make an appointment to assure the job, but Mike made sure to accommodate me. I had no idea what I was doing, but Mike did a real good job in breaking it down for me. Very good and quality work!
